

NJLA Personnel Administration Subcommittee
2025 Minimum Starting Salary Recommendations (2.6075% increase from 2024)
Approved by the NJLA Executive Board on November 19, 2024

NJLA recommends staff receive annual increases of at least **2.6075%**, or the minimum starting recommendation for the position, whichever is greater. Employees 18 or older must be paid the [state minimum wage](#) of \$15.49 per hour in 2025. There may be exceptions to the minimum wage for small employers. The rates in the above chart are calculated based on a 35-hour work week.

The cost of living and library revenue from dedicated taxes and other government sources vary greatly within New Jersey. This document is a guide for library workers, boards, and administrations in determining salaries that their organization can support.

The titles in this guide are based on the [New Jersey Civil Service](#) system ([job description and title code search](#)). NJLA does not have descriptions for any of the positions covered in this chart. For example, we cannot explain the differences between the titles of Library Assistant, Community Library Assistant, and Technical Library Assistant (the latter two are not explicitly covered by this guide).

NJLA recommends staff receive annual increases of at least **2.6075%**, or the minimum starting recommendation for the position, whichever is greater. All employees ages 18 or older must be paid the [state minimum wage](#) of \$15.49 per hour in 2025. There may be exceptions to the minimum wage for small employers. The hourly rates in the above chart are calculated based on a 35-hour work week.

The titles in this guide are based on historical titles used in the [New Jersey Civil Service](#) system ([job description and title code search](#)). They do not and cannot cover every position in public, academic, school, or special libraries. The NJLA does not have specific descriptions for any of the positions covered in this chart. For example, we cannot explain the differences between the Civil Service titles of Library Assistant, Community Library Assistant, and Technical Library Assistant, the latter two of which are not explicitly covered by this guide.

Methodology and Notes

For 2024 the recommended percentage change of **2.6075%** is derived from the average of the most recently available annual or 12-month salary and economic indicators as follows:

1. The average “teacher contract settlements” for academic year 2024-2025, as reported by the [New Jersey School Boards Association](#) (most recent update: Sept. 11, 2024; checked Nov. 12, 2024).
2. U.S. Bureau of Labor Statistics, [Consumer Price Index for All Urban Consumers \(CPI-U\), U.S. city average, all items index \(unchained\)](#): The most recent “unadjusted 12-month percentage change.” As of Nov. 12, 2024, the most recent month available is September 2024.
3. U.S. Bureau of Economic Analysis, [Personal Consumption Expenditures, including food and energy](#) (PCE, also known as consumer spending), cumulative for the 12 months ending September 2024, updated Nov. 12, 2024.
4. The U.S. Social Security Administration’s [cost-of-living adjustment](#) (SSA COLA) for 2025, released [Oct. 10, 2024](#).

This 2025 Salary Guide was compiled by the [NJLA Personnel Administration Subcommittee](#) of the Member Services Committee ([email](#)).
